

New generation of Brushcutters:

Stronger **+** more comfortable

## AK 88/AK 95

### THE + PRODUCTS

- New powerful motor
- New seat suspension for more comfort
- More space on the driving space
- New design
- High cutting quality
- Excellent stability on slopes thanks to their front brakes
- Differential lock

## New Attila 88 and 95

*Attila professional brushcutters are designed to cope with the most difficult conditions. Very robust and comfortable, they guarantee unrivalled effectiveness.*

*With their extremely low centre of gravity, performance and manoeuvrability, they are ideal for slopes, woodland rides and infrequently cut areas with dense vegetation.*

**A reference in professional use.**
