

Our range

Your specialist for perfect cleanliness in Industry, Agriculture, Craftsmanship, House & Garden!

A COMPANY WITH A LONG LASTING TRADITION: EHRLE has been one of the leading manufacturers of High Pressure Cleaners and CarWash Systems in Europe since 1961. The product portfolio ranges from stationary and mobile High Pressure Cleaners, each in cold and hot water versions, through industrial vacuum cleaners and application-specific accessories to self service CarWash Systems and cleaning and care products.

Over 130 different models with application-specific accessories:

6000 installed systems in Europe:

More than just Chemicals:

Our complete product range is produced in our three factories in Germany, because our commitment applies to every product: **Quality made in Germany!**

For more information our EHRLE Team will answer any of your questions.
